BSB60615 Advanced Diploma in Work Health and Safety

This qualification is suitable for people who apply advanced practical knowledge to coordinate, facilitate and maintain the work health and safety (WHS) program in one or more fields of work in an organisation, such as a WHS practitioner or HR practitioner. They may work under the guidance of an occupational health and safety professional.

Pathways into the qualification

Preferred pathways for candidates entering this qualification include experience in coordinating and maintaining a WHS program.

Note: This qualification or specific units of competency may satisfy some requirements for WHS skilled and practising advisors. Persons seeking certification should check the requirements with certifying bodies.

Pre Requisite units are the BSB51315 Diploma in Work Health and Safety or equivalent competencies

- BSBWHS502 Manage effective WHS consultation and participation processes
- BSBWHS503 Contribute to the systematic management of WHS risk
- BSBWHS504 Manage WHS hazards and risks
